*Aiming to provide children with traditional Christian foundations for life...*

Our society has largely abandoned the traditional values which formed the foundation of previous generations. With widespread moral collapse and various difficulties situations children can fall into as they grow up, **we believe Sunday School work is vital**. We aim to teach children the timeless lessons of the Bible and its values, especially the life and teaching of **Jesus Christ** and the great people of the Bible such as **Moses, Joseph, David, Ruth** and **Paul**.

We use the "**Lessons for life**" teaching materials used by many Sunday Schools internationally. Children are given a weekly take home sheet so parents know what their children have been taught.

Each week the main lesson is accompanied by a range of activities including singing, quizzes and other special items. There will also be organised trips throughout the year.

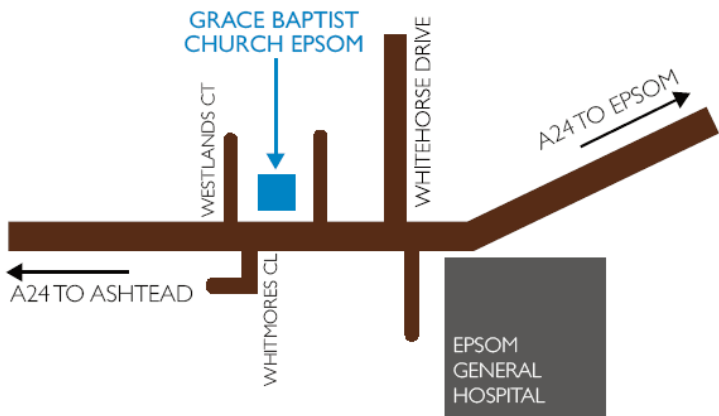

Your child will receive a [free Bible](#) after 6 weeks attendance and there is a [reward scheme](#) for attendance and good attention and behaviour.

Why not encourage your children to attend Sunday School? If you are unable to bring them along yourself [it may be possible for us to collect them](#). Please get in touch with any enquiries.

All staff are governed by a comprehensive [Child Protection Policy](#) in line with Home Office guidance and are [fully CRB checked](#).
